## Workshop

Presented by REACH K9

Sunday March 6<sup>th</sup>

11:30 – 3:30

Introducing WCRL FLASH! "It is a class with emphasis on movement together through the course. The hallmark of FLASH class is there are no sits or downs, leading to flowing courses with minimal pauses."

WCRL Judge Leigh Sylvester was one of two judges to develop this new program and has played an integral part in its roll-out. The workshop will cover all of the new signs (including those not yet released through the at home program - over 65 signs in total), including both how they'll be performed and how they'll be judged, as well as the new regulations for flash class, structuring and new titles.
