

Primary School

Dogs older than 6 months

Pre-req: Complete orientation class or a private lesson

Classes Offered:

- Concept Games

If you came to kindergarten, you'll be familiar with some of these games. They are creative ways to help your dog build life skills and concepts like staying focused, being calm, tolerating frustration, disengaging from the environment and impulse control.

- Obedience Foundations

Laying the foundation for quick, reliable responses to common obedience cues like Sit, Down, Come, Stay, Heel, Place. If you started these in puppy class, you will start to proof them in Primary School. If you're new to it all, you will learn how to help your dog understand exactly what you're asking for!

- CGC / Manners

This class focuses on the specific skills needed to pass the AKC Canine Good Citizen Test, as well as some of the other manners tests like UKC SPOT. It is a good foundation for those considering therapy work as well. When you are ready, you may take the CGC test as part of class. Your instructor will provide you with more information.

**Must pass final exam
(skills & knowledge) to
